SULAIMON ODUNAYO ABDULAHI

99 Park End Road, GL1 5AL 07867298728

donsulex2@gmail com

CAREER OBJECTIVE

I have a pleasant and friendly personality with the ability to help service user feel comfortable and confident that they are receiving the very best care possible, regardless of their condition. I am flexible enough to work in different departments of your facility and to work any shift needed. I am very keen to continue working in this challenging field and believe working at your organization would give me the exposure and experience to really help future Service user.

STRENGTH AND SKILL

- · A caring and responsible attitude.
- · Proven excellent relationship with service user
- sensitivity and sympathy, with the ability to respect each service user' dignity and sense of independence.
- · Excellent team work record
- Excellent working knowledge of Microsoft Office (Ms Word, Ms Power Point)
- Communication skills to support the patient and give reassurance.
- · Practical skills and a willingness to do messy tasks.
